Repp 650
Ultramarine

Price per sqm: € 13.—
Order deadlines
The time limit for ordering additional elements is six weeks prior to the start of the Fair. Orders after 2 September 2015 are possible in consultation with the organisers. However, the success of the order can only be confirmed once the availability of equipment has been assessed.

Conditions of cancellation
Cancellation of orders is possible with flat-rate processing fee of 65 euros, before 16 September 2015. Cancellations made less than four weeks before the Fair starts will incur a charge of 100 per cent of the total price of the ordered goods.

Internet connections
The exhibitor must order Internet connections directly from the official service provider for the Fair. It is recommended that a cable connection is used for the best guarantee of undisrupted access to the internet. Internet cables should be ordered from the service provider in such a way that they emerge from the floor, close to the displays and workspaces.
