10th Anniversary Festival Neue Literatur: *„In Memory We Trust“*

2019

Celebrating 10 Years of Cultural and Literary Tradition

From 28 March to 31 March at venues across Manhattan and Brooklyn, Festival Neue Literatur brought to New York audiences new writing from Austria, Germany, Switzerland, and the United States, as the first and only festival to spotlight German-language and American fiction together.

„In Memory We Trust“

This year's participating authors crossed borders of time and place in their books while exploring their common theme of memory, and the way it can both comfort and haunt us.

FNL 2019 featured authors Stefanie de Velasco (G), Daniela Emminger (A), Laura Freudenthaler (A), Dana Grigorcea (S), Pierre Jarawan (G), Min Jin Lee (US), Gianna Molinari (S), and Jenny Zhang (US).
