Your main presence: System Stand FUN

System stand FUN

The highly versatile and customisable solution for a convincing and modern stand

Stand system FUN is available in 8, 12, 16, 24 and 32 sqm and features an open stand design without a ceiling frame. The stand is largely column-free, so that corner and peninsula stands are always open. Its smooth, light-coloured surface is perfect for large digital prints or colour paint, and it is suitable for both nails and screws. It's the ideal basis for your own unique design. Additional equipment can be easily ordered from a service provider at extra cost (see following page for contacts).

System stand FUN 8 sqm	€ 5,500.–
System stand FUN 12 sqm	€ 8,250.–
System stand FUN 16 sqm	€ 11,000.–
For each additional 4 sqm	€ 2,750.–

The stand includes various standard components:

- / Carpet (rips grey)
- / Lighting bracket to attach spotlights
- / Stand nameplate with standard lettering – attached to lighting bracket for increased visibility
- / Electrical connections of up to 1 kW. One socket in the electrical distributor in the cubicle plus one socket outside the cubicle, in the middle of the rear wall (for all stand sizes)

Cubicle

There are three options available for your cubicle. 1x1 m, 1x2 m (no additional fee for all price categories) – or an upgrade to 2x2 m (subject to a surcharge of € 750.-). The upgrade is only possible for stands that are larger than 16 sqm and that have a depth of 4 m.

Upgrade Cubicle 2x2 m	€ 750.–
-----------------------	---------
