

These publishers are interested in making international contacts

Children's and YA titles account for the highest share in German licensing deals. The Frankfurt Book Fair highlights this part of the book industry with a selection of books with international potential. In 2019/2020, fourteen publishers contribute their most compelling titles to the collection "Children's Books on Tour".

"Children's Books on Tour" will travel with the German Collective Stands to the following fairs: Paris, Bologna, Buenos Aires, Hong Kong, Oslo, Abu Dhabi, Tehran, Kiev, Peking, Kraków, Istanbul, Shanghai, Guadalajara, Moscow, Cairo, Havana and Taipei.

Furthermore, the titles are displayed and promoted during the year at the Frankfurter Buchmesse Book Information Centres in Beijing, New Delhi and Moscow and at the Frankfurter Buchmesse Office New York.

Each publisher's online presence features information about its full range of titles. You'll find all the contact information you need in this flyer.
