Important:
Please note that all stand packages are subject to the obligatory environment and energy surcharge as well as the marketing fee.

Custom-built stand

Would you prefer to have an individual stand installed by your own exhibition stand contractor?
That’s easy — just order the stand option “Empty floor space/own stand”. Besides the floor space, a number of exhibitor passes (depending on your stand size) is also included in the rental fee of the stand. These give you and your staff access to the exhibition grounds and also include use of public transport in the entire Rhein-Main area. If you need a water connection, please mention this at the time of registration — we will try to position your stand accordingly. You can find the corresponding order form at www.book-fair.com.

For extra high stands (exceeding 4 m) the following charges also apply:

<table>

<tr>

<tbody>
<tr>
<td>Stands up to 20 sqm</td>
<td>+ 5% of stand rental fee</td>

<tr>

<tr>
<td>Stands over 100 sqm</td>
<td>+ 10% of stand rental fee</td>
</tr>
<tr>
<td>Additional storey (two-storey stand)</td>
<td>€/sqm 220.—</td>

</tbody>
</table>

If you are looking for a suitable stand constructor, we recommend consulting the website of the Association for Exhibition and Event Professionals: www.famab.de. There you will find the list of stand constructors (follow the links “Mitglieder”, “Mitglieder finden” and “Mitgliederliste”).

Set-up and dismantling

Custom-designed stands allow for the highest level of individuality but also take more time. For stands over 40 square metres, we therefore offer you more flexibility. For a fee (see below) you can enter the fairgrounds starting from Thursday the previous week. The opening times for early access are 7.00 am to 9.00 pm. It may also take longer than usual for the dismantling of your custom-built stand. The exhibition halls are open all night from Sunday to Monday as well as on Monday through to midnight. Everything must be cleared out by then unless you have officially requested extended dismantling time, which leaves you time until Tuesday.

Stand construction

If you would like to build your own stand, please coordinate your plans with us in detail. There are certain specifications to be considered — you can find details of these in the technical regulations at www.book-fair.com. To avoid any unpleasant surprises, it is important that you send us scale plans of your stand for approval well in advance of the Fair. In some cases — especially if you want to build a particularly high structure — it might be necessary for the plans to be specially assessed and approved by Messe Frankfurt. Any additional costs arising from this will be billed to the exhibitor.
The system stand deluxe
Put your brand and products in the spotlight:

Need a solution that fits your unique needs and budget? Let us design a customised system stand deluxe that’s “Individual & Unique”. Your personal contact will be happy to provide further information.
Exhibition space with prefabricated stand

In order to give smaller businesses the opportunity to exhibit at Frankfurter Buchmesse, we offer you an affordable system stand, which you can book when you register. If you rent a 4 or 8 square metre stand, you also profit from the discounted rental fee for these two stand sizes. The rental price includes the use of the stand module (with bookshelves and bench cabinets), the carpet (flecked light grey carpeting) and a stand nameplate. As with the custom-designed stands, a certain number of exhibitor passes is also included in the rental fee (incl. use of public transport in the Rhein-Main area).

To further equip your system stand we offer different furniture packages as well as equipment and extras.

Or would you like us to do all the customised planning for your system stand at 12 qm? We design your stand based on a personal consultation. This planning and quotation service also includes one round of corrections.

Special stand positions
If you want a more open stand at a special position, we offer various options:

Corner stand or walk-through row stand (fronting 2 gangways) + 10% of space rental fee per sqm
Peninsula stand (fronting 3 gangways, only for stands > 16 sqm) + 15% of space rental fee per sqm
Island stand (fronting 4 gangways, only for custom-built stands > 100 sqm) + 20% of space rental fee per sqm

These surcharges for special stand positions will be levied only for the first 75 square metres. We will try to take your wishes into consideration, but unfortunately cannot guarantee allocation of these special positions. Please note that the side walls of our system stands cannot be completely removed – this includes corner position stands. In order to enable a more flexible stand design in corner positions, we will exchange the side wall with a half-open wall free of charge, if this has been noted in the registration form.

Environment and energy surcharge (obligatory)
With your registration, you help contribute to a greener Frankfurter Buchmesse. The environment and energy surcharge covers eco-friendly waste disposal, your electrical supply (1 kW), electricity consumption (green electricity), hall air conditioning and eco-friendly basic cleaning.

Stand 8–12 sqm € 90.—
Stand > 12 sqm € 230.—

Co-exhibitors

Per co-exhibitor € 318.—

Each co-exhibitor must fill out a separate registration form and will receive their own stand sign (for system stands), catalogue entries, copy of the Catalogue and an exhibitor pass.
