Order forms — simplifying the process

Guidelines for use
Dear Sir/Madam,

Order forms are used for ordering Messe Frankfurt services for *Frankfurter Buchmesse*. We compiled these guidelines to help you fill out these forms.

We designed these forms to simplify the process of ordering services. That is why the forms have editable fields. Please use these fields and complete the forms on a PC or laptop. This allows us to automatically feed the data into our order process when you return the forms, helping us to process orders quickly and reducing the number of queries.

In the following pages, you will find tips on how to complete individual sections of the forms and on various functions.

Best regards,
Messe Frankfurt Venue GmbH
