05 Tax exemption for companies outside of Germany

Exhibitors outside of Germany who are economically active as companies may, under certain conditions, be invoiced without value-added tax. Please provide the following information to enable an appropriate check:

With this registration, we confirm that the address of the exhibiting company listed under "05 Company address" is based in an EU country and is registered with the given VAT ID number.

We will submit the relevant certification to vat@buchmesse.de as soon as possible.

As a commercially active company with its registered office outside of the EU, we provide with this registration proof of our status as an entrepreneur from the relevant authority.

The exhibiting company is not economically active in terms of VAT and is therefore not eligible for the above-mentioned review.

For more information, please visit buchmesse.de/en/vat.
