Fire extinguisher

"AB-Schaum" foam extinguisher

€69.00

"AB-Schaum" foam extinguishers are the perfect fire extinguishers for your stand. Convenient and easy to operate, they are ideal for extinguishing incipient fires of fire classes A (solid materials such as wood) and B (liquids such as petrol).

Their outstanding fire-extinguishing performance is achieved using a newly developed organic foam that contains significantly less fluorine – meaning it is much better for the environment. In addition, the foam can be removed easily after the fire has been extinguished.

This is why you need fire extinguishers at your stand

Messe Frankfurt believes in the importance of measures that increase the safety of exhibitors and visitors, and naturally this includes fire protection in exhibition halls, at stands and during events of all kinds.

The Messe Frankfurt Technical Guidelines mandate extensive fire protection measures in order to ensure that these high standards are maintained. One rule that is universally applicable mandates that there be at least one fire extinguisher at every stand. Depending on the stand size and the specific situation, it may be necessary to keep multiple fire extinguishers at the stand.

Messe Frankfurt Venue GmbH collects and uses the data you provide here to process your order. Further information according to article 13 and 14 GDPR please find under messefrankfurt.com/privacy.

I hereby place a binding order.

This order is subject to our terms and conditions of supply in the attachment. Prices are per item or m² in € and do not include VAT. 

I hereby confirm that I have read and accepted the terms and conditions of supply in the attachment.

Please save this form in PDF form for your own records before sending.

Terms and conditions for the supply of fire extinguishers

1. Order placement

(1) Orders are placed by clicking on the "I hereby place a binding order" button. This automatically submits the order. No signature is necessary.

(2) For orders received online or in writing less than eleven (11) days before the start of the event, Messe Frankfurt Venue GmbH will invoice the additional expenses entailed.

2. Description of services to be provided

(1) The fire extinguisher has the following technical specifications in accordance with DIN EN 3:

Classification: S6 LJ Bio (plus) "AB-Schaum" foam extinguisher from the standard series
Extinguishing agents: each contains 6 litres of approved extinguishing agents JoMix A and JoMix B
Extinguishing performance: each contains 10 extinguishing units 34 A and 183 B
Operating temperature range: +5 °C to +60 °C
Propellant: Air/N2
Discharge time: 49 seconds
Effective range: 7 metres
Height of the fire extinguisher: approx. 592 mm
Width of the fire extinguisher: approx. 240 mm
Weight: approx. 10.0 kg

The exhibitor undertakes to equip their stand with fire extinguishers. In this regard, we refer to the provisions of the Technical Guidelines, 4.4 Fire protection and safety regulations.

Fire extinguishers are items for purchase, and they become the property of the exhibitor. Fire extinguishers are delivered directly to the stand. This delivery is free of charge.

Fire extinguishers are supplied with two stickers. In the event that the fire extinguishers are kept in a location that is not immediately visible, these stickers can be used to identify their location.

A matching stand can be ordered for each fire extinguisher for a fee. The fire extinguisher can be mounted securely in this mount. The mounts are also items for purchase, and they become the property of the exhibitor.

As a result of statutory requirements and safety regulations, in individual cases it may be necessary to affix labels to each fire extinguisher containing the following information:

- The event and the event year
- the exhibitor name and
- the stand number

The marking of fire extinguishers is entirely the responsibility of the exhibitor. Please enquire with the organiser regarding whether or not this is necessary.

Delivery can be made to the exhibitor or to persons who are affiliated with the exhibitor (such as employees or stand personnel).

Should no such individuals be present, delivery will be made to the stand's stand constructor or to a person affiliated with the stand constructor (such as their employees or team members).

3. Invoicing

(1) Invoices shall be due and payable upon receipt. Messe Frankfurt Venue GmbH shall be entitled to issue invoices before performance of services based on reasonable flat-rate charges.

(2) The charges listed in the currently valid price list shall be binding upon both parties hereto. Any services that do not appear in the list are not included in the charges stated therein and shall, where applicable, be invoiced separately.

(3) Counterclaims can only be offset if they are undisputed or have been confirmed by a court of law in a final form.

(4) Complaints regarding the non-provision or incomplete provision of ordered items or services must be received by the vendor/supplier involved no later than the same day. Any complaints received thereafter will be disregarded.

(5) Messe Frankfurt Venue GmbH will charge a handling fee of €50.00 plus VAT for subsequent changes to the invoice that are necessary as a result of changes to the invoice recipient, address changes etc. This fee will be shown on the modified invoice.

4. Cancellation by the customer

In the event that an order is to be cancelled, the customer shall notify Messe Frankfurt Venue GmbH thereof in writing no later than three (3) weeks prior to the opening of the event involved, reckoned from the date of receipt. Cancellations can be accepted at later dates only if the respective service(s) – or parts thereof – have not yet been provided or provision thereof has not yet commenced. The same shall apply analogously to any changes to the ordered services.

5. General conditions

(1) Both parties to the agreement accept these terms and conditions as integral parts of the agreement binding upon both parties.

(2) Should individual provisions of this agreement be or become invalid, the validity of the remaining provisions shall not be affected. In such a case, both contracting parties undertake to replace any invalid provision with a valid provision that most closely achieves the commercial purpose intended by the invalid provision.

(3) Both parties to the agreement explicitly agree Frankfurt am Main to be the place of performance and jurisdiction for all claims and disputes arising from this agreement.

Order deadlines: Fire extinguishers can be ordered up to and including the first day of the trade fair.
