I. Contractual provisions

Frankfurter Buchmesse is the international publishing industry's biggest trade fair – with over 7 500 exhibitors from 109 countries, around 285 000 visitors, over 4,000 events and some 10,000 accredited journalists and bloggers in attendance. It also brings together key players from other media, including the film and games industries. It is organised and presented by Frankfurter Buchmesse GmbH, Braubachstrasse 16, 60311 Frankfurt am Main, Germany (referred to here as the Organiser(s)).

1. Duration

1.1 Frankfurter Buchmesse 2021 takes place from Wednesday, 20 October up until and including Sunday, 24 October 2021. The opening is on 19 October 2021 at 5.00 pm. Opening hours: daily from 9.00 am until 6.30 pm, and on 24 October 2021 from 9.00 am to 5.30 pm. The exhibition is open to the general public on Saturday from 9.00 am to 6.30 pm and Sunday from 9.00 am until 5.30 pm. Exhibitors will be admitted to the fairgrounds from 8.00 am and can stay in the halls until 7.00 pm.

2. Exhibitors

2.1 All national and international companies may exhibit at Frankfurter Buchmesse which are involved in the creation, preparation and distribution of content via media such as books, newspapers, periodicals, teaching materials, audio and/or visual media, data carriers or online platforms. This also includes agencies and service providers for media trade and production, non-book suppliers, merchandisers and institutions or associations active in the areas of culture and education.

2.2 Countries may organise collective national exhibitions, provided that these are compatible with the purpose of the Book fair. In addition, the Organiser can present special exhibitions (e.g. "Best Designed Books", calendar exhibitions, etc.)

2.3 Companies whose right to use their company name or substantial parts of the name is disputed by an established previous Exhibitor, may exhibit, provided that they can demonstrate their right to use the company name with a legally binding statement either issued by a court of law of the Federal Republic of Germany or whose enforcement has otherwise been officially authorised. This also applies to products and services exhibited at individual stands or as part of collective presentations.

2.4 Companies may not exhibit if they are the subject of bankruptcy proceedings before a court of law. If any such proceedings are initiated following registration for the fair, the Organiser is to be informed without delay.

3. Exhibits

3.1 Only articles, products and services of the publishing trade and media industry may be exhibited at Frankfurter Buchmesse.

3.2 Articles and products may only be exhibited which fulfil applicable legal requirements and which are not subject to the rights of third parties.

3.3 The Organiser does not apply any form of censorship.

3.4 It is not permitted to exhibit any works which have been banned from production, distribution or import by a court of law in the Federal Republic of Germany, or similarly in a court of law abroad, provided this judgement has been declared enforceable in a court of law in the Federal Republic of Germany.

3.5 It is not permitted to promote or advertise any such items that are excluded from the fair.

3.6 Publications that have been officially indexed as liable to corrupt the young must not be accessible to juveniles.

3.7 Companies may only exhibit and promote their own products on their stands. If products of other companies are shown, these companies must be registered as co-exhibitors (see section 5).

3.8 If requested, the Organisers will decide at their own discretion whether products or presentations may be permitted which do not appear to be directly related to the publishing or media industry (see section 3.1).

4. Contracts and stand allocation

4.1 With the timely submission by the Exhibitor of the Organiser's registration form, completed in full, signed and delivered to the Organiser by the latest 31 May 2021 (by post, by fax or as an e-mail attachment), the Exhibitor makes a binding commitment to the Organiser of their intention to participate in the event. An online registration sent via the password-secured area of the Organiser's website buchmesse.de is also regarded as a binding application.

4.2 Provisional or unofficially submitted applications or mere reservation requests are invalid and will not be processed until a formal registration using the Organiser's official form is submitted by the stated deadline.

4.3 Alterations or special provisions made by the Exhibitor on the registration forms or in connection with the same are null and void and will be disregarded.

4.4 If, after having applied for registration, the Exhibitor receives a written or electronic (PDF) order confirmation or first invoice from the Organiser, this represents completion of the contract and official acceptance of the Exhibitor to participate at the event. The registration is only valid for the respective event and the registered company. There is no legal right to admission. The Organiser shall decide on the Exhibitor's admission based on due judgement and taking into account the available space capacities, the purpose of the event, and safety-related issues. The Organiser is entitled to deny admission for objectively justified reasons or base the decision on other conditions such as complying with issued requirements or the payment of a security deposit. This applies in

particular to exhibitors who have in the past failed to meet their financial obligations to the Organiser or failed to do so in good time or have already infringed on the Terms & Conditions of Participation, safety-related regulations, or regulations regarding domestic law or statutory provisions at previous trade fairs. The Organiser shall not be obliged to give reasons for non-admission to the event. Admission/non-admission to the event does not yet equate to the allocation of a particular exhibition space.

4.5 The allocation of the exhibition space by the Organiser cannot proceed until the registration deadline has expired and all applications have been assessed. The allocation of exhibition space depends on the available rooms, surfaces, Exhibitor needs, Organiser possibilities as well as according to thematic classifications, which the Organisers make at their own discretion. It does not depend on the order in which the registrations are received. In individual cases, the Organiser is permitted to reallocate the exhibition space for objectively justified (in particular, for safety-related) reasons, even during the event. If such a reallocation/place reassignment occurs for reasons for which the Exhibitor is responsible, the Exhibitor shall bear the costs incurred by the Organiser. Any other claims for damages on either side are ruled out.

4.6 The Exhibitor is not entitled to the same stand location as in the previous year or to a specific position, although the Exhibitor's wishes in terms of position, neighbouring stands, size and exhibition area will be taken into account wherever possible. The Exhibitor is responsible for any stand remodelling costs incurred due to relocation for whatever reason.

4.7 The minimum stand size is 8 square metres.

4.8 Exhibitors who have rented several small exhibition spaces are not permitted to combine them and present them to the public as one stand. In this case, the Organiser has the right to charge the participating Exhibitors the rent of a larger exhibition space.

4.9 If an Exhibitor is allocated an exhibition space that is different in size, measurement or type (e.g. row stand instead of corner stand) than indicated on their registration, or if their exhibition space is altered for an important reason, in this particular case the Exhibitor has the right to immediately withdraw from the contract in writing, but at the latest seven days after receiving such notification. A withdrawal in electronic form, by fax or e-mail is only effective if it is received in due time and is subsequently followed up in written form, without delay. Any claims to compensation due to being allocated an exhibition space different from that specified in their registration are invalid, irrespective of the legal basis. The Exhibitor shall accept the fact that upon commencement of the event the position of the other stands may have changed compared with what it was at the time of admission. Claims for compensation are excluded on both sides.

4.10 If, in the case of section 4.9, a decrease or increase of the exhibition space or a change of stand type occurs (e.g. row stand instead of corner stand), and the Exhibitor does not choose to withdraw from the contract, they will be reimbursed or invoiced accordingly for the difference to the originally requested exhibition space. If the stand area is reduced due to the existence of a column, the Organiser reserves the right to refund an appropriate lump sum in deviation from the rule in section 4.10, sentence 1.

4.11 The Organiser is entitled to refuse the Exhibitor admittance to the event if the requirements for admittance are not (or are no longer) fulfilled.

4.12 For safety reasons, the Organiser is entitled to relocate an exhibitor, even during the event.

4.13 Exhibitors who do not fulfil their financial obligations to the Organiser or have been late in payment can be excluded from the fair even after admittance.

5. Co-exhibitors, facilitators

5.1 Without prior approval of the Organiser, Exhibitors are not permitted to move, swap, divide or in any other way make the exhibition space allocated to them available to third parties for commercial use.

5.2 An Exhibitor may let other companies exhibit at their stand. The stand rental fee must be covered by one Exhibitor (main Exhibitor). For an additional fee (see "Prices & Products 2021), other companies can be registered as co-exhibitors at the stand. It is essential that each co-exhibitor applies separately with the printed application form provided by the Organiser until registration deadline. If the application is performed by a third party, the stipulations in section 5.4 must be adhered to. Admission of a co-exhibitor requires the Organiser's consent. The same admission requirements apply as for exhibitors. Each registered and approved co-exhibitor receives their own stand nameplate (System Stand), an entry in Frankfurter Buchmesse's Exhibitor Directory and an exhibitor pass.

5.3 Affiliates, subsidiaries or other associated companies which have an independent name will be considered co-exhibitors.

5.4 Another Exhibitor, service provider, facilitator, agency or comparable company (herein referred to as Representative), which registers an Exhibitor or co-exhibitor for the event, is assumed to be authorised to represent this third party. If the third party expressly revokes the Representative's authorisation to do so or behaves in a way that clearly denies that any such authorisation was granted, the Organiser is entitled to demand payment directly from the unauthorised Representative. A lack of authorisation will be assumed if the third party does not pay the first invoice placed by the Organiser, shortly after the first overdue notice has been sent. The Representative retains the right to prove their authorisation to represent the third party by submitting a clear document of authorisation. This proof must be provided to the Organiser without delay.

5.5 If the Organiser discovers only during the set-up or during the event that several companies are exhibiting at a stand without these having been registered and approved as co-exhibitors or joint exhibitors, the Organiser has the right to, with immediate effect, prohibit the co-exhibitors who have not registered from exhibiting or demand a surcharge of 25 percent on the co-exhibitor fee from the registered exhibitor. Payment of the surcharge and the co-exhibitor fee shall be due immediately and may also be requested on site during the event. If the registered exhibitor refuses to pay the surcharge or the co-exhibitor refuses to pay the co-exhibitor fee, the respective party may be excluded from participation in subsequent events.

6. Rental fees, additional expenses

6.1 For rental fees, please see the relevant "Price list" which is an integral part of the stand rental contract. The fees named in the order confirmation are binding. The rental fee for empty exhibition space (for placement of a Custom-built Stand) includes: stand floor space as registered and the applicable number of free exhibitor passes according to stand size. When stand material provided by the Organiser is used, the rental fee includes: stand floor space as registered, stand material (see "Information on System Stands"), standard carpet, stand nameplate and the applicable number of free exhibitor passes according to stand size. Every Exhibitor is required to pay the marketing fee (see "Prices & Products 2021", obligatory fees).

6.2 Every Exhibitor with their own stand area is required to pay an energy and environment surcharge (see "Prices & Products 2021", obligatory fees). This surcharge includes: electricity connection up to 1 kW, electricity consumption, hall air conditioning, basic cleaning and waste disposal during the exhibition days.

6.3 The Organiser reserves the right to increase or lower the environment and energy surcharge as well as the rental fees for all or individual types of stands if this is absolutely necessary for holding the event (e.g. due to increasing energy costs or decreasing registrations within certain stand categories). Any such increase, however, may not exceed 10 percent.

6.4 The Organiser reserves the right to charge a processing fee of 5 percent on top of the standard price for bookings made after the official closing date (31 May 2021).

6.5 The stand rental fee remains payable if the Exhibitor is prevented for whatever reason from attending or sending exhibits to the fair.

6.6 Changes to the stand design or furnishing which are requested after the registration deadline are subject to extra payment, with a minimum extra charge of 150 euros (plus VAT at the applicable official rate). Changes can only be processed if notified prior to 13 September 2021. Insofar as they can be implemented, changes requested during the event are subject to an additional charge of 10 percent on top of the costs incurred for the changes.

7. Terms of payment

7.1 Invoices for rental fees and other service charges are payable in full immediately upon receipt via money transfer to one of the following of the Organiser's accounts:

Frankfurter Sparkasse
Account No.: 200 452 819
(Sort Code: 500 502 01)
SWIFT-Code/BIC: HEL AD EF 1822
IBAN: DE73 5005 0201 0200 4528 19

Postbank Frankfurt am Main
Account No.: 1021 601
(Sort Code: 500 100 60)
SWIFT-Code/BIC: PBNK DE FF
IBAN: DE21 5001 0060 0001 0216 01

Commerzbank AG, Frankfurt am Main
Account No.: 90 189 100
(Sort Code: 500 800 00)
SWIFT-Code/BIC: DRES DE FF XXX
IBAN: DE96 5008 0000 0090 1891 00

Objections can only be considered if raised within three weeks of the date of invoice.

7.2 After receipt of the registration by the Organiser, the order confirmation will be issued promptly. The first partial invoice for 50 percent of the invoice amount will be issued and sent out in June. One hundred percent of the co-exhibitor fee may be invoiced in advance. The second invoice for 50 percent of the invoice amount will be sent in September. Stand confirmation will be sent after the placement of all exhibitors has been completed (probably at the end of July 2021). Any outstanding amounts will be invoiced after the event, by 31 December 2021 at the latest.

7.3 If an Exhibitor is not based in Germany and would like an invoice without German VAT, they are obliged to send proof of their entrepreneurial status from along with their registration. Registration without proof of entrepreneurial status obliges the Organiser to add German VAT to the invoice total. Exhibitors based in EU member states (outside of Germany) only need to declare their VAT identification number (VAT Reg. No.) on the registration form. In the event of changes in their legal form or registered address, the Exhibitor is required, unprompted, to submit a new proof of entrepreneurial status or their VAT identification number to the Organiser.

7.4 If an Exhibitor wishes to alter an invoice because their name, legal status or address have changed, a service fee of 50 euros (plus VAT) will be charged.

7.5 If payment is delayed, the Exhibitor must pay default charges of 9 per centage points above the European Central Bank's basic interest rate. Enforcement of additional or higher compensation is not ruled out.

7.6 If payment of the invoice is not received on time, the Organiser may reallocate the rented exhibition space, but the Exhibitor still remains liable for full payment. In the event of such reallocation, the regulation in section 8 applies.

7.7 The Organiser has the right to invoice customers either by post or electronically (e.g. via e-mail or as a download on our website).

8. Withdrawal, cancellation

8.1 Until the official registration deadline (31 May 2021), a free cancellation of the registration in written form is possible. In the period between the registration deadline and 31 July 2021, a processing fee (reimbursement of expenses) of 20 percent of the stand rental fee will be charged for written cancellation of the registration. From 1 August 2021 onwards, 100 percent of the stand rental fee will be charged for cancellation of the registration. To be considered valid, the Organiser must have received the written explanation of cancellation at the latest by the above-mentioned deadlines. There is no deadline for the cancellation of co-exhibitor registrations. Nevertheless, a processing fee (to compensate for administrative expenses) of 20 percent of the co-exhibitor's fee will be required for each co-exhibitor cancellation. The processing fee is subject to value added tax at the applicable official rate.

8.2 Besides the possibility of cancelling as described in section 8.1, and other standard legal withdrawal rights, Exhibitors and co-exhibitors do not have the right to withdraw from or cancel the contract.

8.3 If the Exhibitor cancels or withdraws from the contract, whether they have the right to do so or not, or otherwise communicates that they will not occupy the rented exhibition space, the Organiser is entitled to find another use for the entire rented space. If they no longer have the right to cancel or withdraw from the contract, the Exhibitor will still be obligated to pay the rental fee or, respectively, the package price. The Organiser must thereby calculate the value of the non-incurred expenses as well as any benefit gained from alternative use of the exhibition space. The Exhibitor's obligation to pay is not affected if, in order to avoid a gap between stands, the Organiser offers the exhibition space to a third party whose stand would otherwise have been placed at another location or if the Organiser rearranges the rented area so that it no longer appears to be an empty exhibition space.

8.4 If the Organiser is able to successfully rent the exhibition space to a new Exhibitor, who could not be allocated another available exhibition space, the Exhibitor withdrawing from the contract must pay the Organiser a cancellation fee of 20 percent of the arranged stand rental fee (plus the VAT owed at the time of the service). The Organiser thereby reserves the right to demand further compensation for administrative expenses.

8.5 If the exhibition space is reduced in size, a proportionate rental fee and/or processing fee is due for the unused space in accordance with the parameters defined in sections 8.1, 8.3 and 8.4.

8.6 Exhibitors are entitled to provide evidence showing that the Organiser has not been disadvantaged or not to the extent that would justify payment of the requested amount.

8.7 The Organiser is entitled to rescind admittance or to reallocate exhibition space: – if payments are not made in full, on time or in accordance with contractual terms, provided the Organiser has given the

Exhibitor a deadline for payment, under threat of exclusion from the event, which the Exhibitor has let pass

- if the stand has not been occupied by the Exhibitor by the time the event opens and no indication of a later arrival is evident
- if the exhibition requirements are no longer fulfilled by the registered Exhibitor or if the Organiser later becomes aware of reasons which, had they been known before, would have justified a denial of admittance
- if safety regulations are violated and a resolution of the problem is not possible or the Exhibitor refuses to take according action. In case admittance is rescinded, payment obligations on the part of the Exhibitor as defined in sections 8.1, 8.3 and 8.4 remain unaffected.

9. Force majeure, event cancellation

9.1 Force majeure is an external event that has a massive impact on the contractual relationship, which is unforeseeable according to human insight and experience, and which cannot be prevented or rendered harmless by economically feasible means, even with the utmost care that can be reasonably expected in the circumstances, e.g. natural disasters, war, strikes, acts of terror, pandemics, epidemics, as well as massive failure or disruption of traffic, supply chains and/or communication links.

Force majeure entitles the contractual parties to adjust the contract or, if this is unreasonable, to withdraw from the contract. The withdrawal must be declared in writing to the other contractual party without delay, stating all circumstances that justify the impossibility. In this case, the Exhibitor shall not be entitled to compensation for any resulting damages incurred.

9.2 The Organiser is additionally entitled to postpone, shorten, extend, or cancel an event, as well as to close it temporarily, permanently, in individual parts, or in its entirety, if there are compelling reasons for which they are not responsible or if force majeure requires such a measure.

9.3 Section 9.2 shall also apply respectively with regard to the occurrence and further development of pandemics as defined by the German Federal Infection Protection Act (IfSG). This entitles the Organiser to cancel or postpone the event even if, at the time of the decision, no reliable prognosis can yet be made regarding the further course of the pandemic or the continuation of restrictions under the IfSG. Any such decision will be based on a plausible estimation of the expected impact on the affected parties.

In this case, the Exhibitor shall also have no claim to compensation for any resulting damages incurred.

9.4 In the event of withdrawal according to section 9.1, or in the event of cancellation according to section 9.2 by the Organiser, the Exhibitor shall be obliged, at the request of the Organiser, to pay a reasonable share of the costs incurred for preparation of the event. The amount of

the share shall be limited to a maximum of 50 percent of the agreed rental fee. The amount of the share to be paid by each exhibitor shall be determined by the sum of all costs already incurred on the part of the Organiser, divided by the number of exhibitors, taking into account the size of the exhibition space booked by the respective exhibitor.

In the event of withdrawal according to section 9.1 by the Exhibitor, the Exhibitor shall be obliged, at the request of the Organiser, to pay a share of the expenses incurred up to the time of withdrawal. The share shall be limited to a maximum of 50 percent of the agreed rental fee. Both contractual parties shall thereafter be released from their payment and performance obligations.

9.5 If the event is cancelled by 30 June 2021 according to section 9.3, the Exhibitor shall be released from payment of the rental fee. In the event of cancellation on or after 1 July 2021 according to section 9.3, the Exhibitor shall be obliged, at the request of the Organiser, to pay a reasonable share of the costs incurred for preparation of the event. The amount of the share shall be limited to a maximum of 20 percent of the agreed rental fee.

The amount of the share to be paid by each exhibitor shall be determined by the sum of all costs already incurred on the part of the Organiser, divided by the number of exhibitors, taking into account the size of the exhibition space booked by the respective exhibitor.

Both contractual parties shall thereafter be released from their payment and performance obligations.

9.6 Cases of force majeure which prevent the Organiser or their service partners from fulfilling their obligations, in whole or in part, shall release the Organiser from their obligations until the force majeure ceases to exist. The Organiser shall inform the Exhibitor of this forthwith, unless they are prevented from doing so by a case of force majeure. The impossibility of a sufficient supply of auxiliary materials such as electricity, as well as strikes, lock-outs, and official interventions – unless they are only of short duration or are the fault of the Organiser – shall be deemed equivalent to a case of force majeure.

10. Liability, indemnity, expiration of terms

10.1 The Exhibitor has a legal obligation to implement safety precautions to protect all individuals who enter the rented exhibition space. The safety regulations stipulated in the "Technical regulations" must be adhered to at all times. Federal law always applies with regard to the liability of the Exhibitor for any damages or loss caused by themselves, their contracted administration and implementation assistants or co-exhibitors. The Exhibitor will be liable for any loss or irreparable damage to items supplied on a rental basis, from the moment of receipt until they are returned/collected, being liable for the new replacement value rather than reimbursement of the present value.

10.2 The Exhibitor irrevocably releases the Organiser from any claims made by third

parties with regards to the violation of laws or third party rights (particularly intellectual property rights, copyrights, image and name rights, brand and trademark rights, competition rights, personality rights) connected to the exhibition space of the Exhibitor including the Exhibitor's activities, advertising, products and their intellectual contents. This release also applies to any penalty, court or legal expenses arising from such violations.

10.3 A strict liability of the Organiser for damages due to pre-existing deficiencies in the rented space is excluded.

If the Organiser violates essential contractual terms due to simple negligence, any liability for compensation is limited to the predictable, typical or expected average damages in relation to the scope of this contract. Compensation claims for damages due to breach of contract, which would not be considered breach of cardinal obligations or essential contractual terms, are excluded to the extent that they are not due to gross negligence or deliberate culpable action of the Organiser and/or the Organiser's contracted assistants. This limitation of liability does not include attributes clearly identified and acknowledged by both parties in advance or for damages or loss to life, body or health to the extent that liability is legally obligatory due to negligence or deliberate action.

10.4 The Organiser is not liable for loss or theft of exhibited items, stand structures or stand furnishing. The Exhibitor may hire professional stand security approved by the Organiser to protect against loss and theft.

10.5 Any claims the Exhibitor makes against the Organiser rising from the contractual terms as well as any other related demands must be communicated to the Organiser in written form within ten days after the event. If any faults or disturbances become evident during the course of the event, they must be communicated to the Organiser without delay. Otherwise, the assertion of any respective claim will be invalidated.

10.6 The validity of the Exhibitor's claims expires after three months, unless the liability of the Organiser results from deliberate action. Legal limitation periods for misdemeanours, fraudulence or negligent impossibility are unaffected. The limitation period begins at the end of the month in which the last day of the event is held.

10.7 To the extent that the Organiser's liability is limited, so too is the personal liability of the Organiser's staff members, employees, representatives and agents.

11. Transfer of claims, compensation

11.1 The Exhibitor is not entitled to transfer any pending claims against the Organiser to a third party.

11.2 Any rights to retention or compensation from the Organiser may only be claimed by the Exhibitor if they have been legally determined, are not contested or have been accepted by the Organiser.

12. Exhibitor Directory

12.1 Every Exhibitor will be included in the Exhibitor Directory. The inclusion in the Exhibitor Directory is obligatory and included in the marketing fee.

12.2 The entry in the Exhibitor Directory must correspond to the company address.

12.3 Affiliates, subsidiaries or other associated companies which are stated in the text must be registered as co-exhibitors (see section 5).

12.4 For any claims against the Organiser and their contracted administration and implementation assistants due to false, incomplete or missing entries, sections 10.2 to 10.7 apply.

13. Stand nameplate and stand fittings for Exhibitors with System Stands

13.1 Depending on stand size, one or two standard format signs are supplied by the Organiser as nameplates for the stand. Exhibitors with Custom-built Stands must supply their own stand signs.

13.2 Stand fittings and furnishings are subject to the "Technical regulations". In the event of failure to comply, the Organiser is entitled to order alterations at the Exhibitor's expense. If this is not possible or the Exhibitor refuses, the Organiser is entitled to close the stand altogether.

13.3 Authorisation is always required for a stand exceeding 2.5 m in height. A separate fee will be charged for stands in excess of 4 m. Stands that are above the standard height may not – in certain halls – exceed 5 metres in height. Official authorisation is likewise required for all Custom-built Stands. The "Technical regulations" apply.

14. Occupation of stands, set-up and dismantling

14.1 The exhibition halls are available for set-up from 7.00 am on Monday, 18 October 2021. Earlier entry requires written approval by the Organiser and is only possible for Custom-built Stands with a floor space of 40 sqm or more and is subject to a fee (see "Prices & Products 2021").

14.2 Exhibitors must display their exhibits for the entire duration of the fair.

14.3 The Organiser has the right to reallocate stands that are not yet occupied at 5.00 pm on 19 October 2021. There is no entitlement to reimbursement of stand rental fees already paid. In the event of reallocation of the stand, section 8.4 applies.

14.4 The delivery of packing material, the dismantling of exhibits and the clearing of stands may not begin before the official end of the event. Dismantling before 5.30 pm on 24 October 2021 is not permitted. Exhibitors with System Stands must have emptied the bench cabinets of all contents on Sunday, 24 October 2021. On Monday, 25 October 2021, the cleaning staff will empty the bench cabinets and dispose of the contents.

14.5 If stands are cleared and vacated prior to the end of the event or not cleared by the prescribed deadline, the Organiser will impose a breach of contract penalty (compensation, which is not subject to VAT), which can be as high as 20 percent of the rent owed. Furthermore, if the space is not cleared in time, the stand will be cleared and goods will be stored at the Exhibitor's expense for a maximum of four weeks. The Organiser accepts no responsibility for

stand furniture and fittings that have been left at the stand. After four weeks time, the Organiser is entitled to make other use of the stand furnishing and exhibits or, if this is not possible, to dispose of them. All such incurred costs will be at the Exhibitor's expense.

15. Sales

In general, sales at the fair may only be made to the book trade. At events, on public days, and upon separate announcement by the Organiser, sales may also be made to the general public, subject to price binding. In the event of proven violations of the Book Price Binding Act, the exhibitor shall be subject to a contractual penalty to be paid to the Sozialwerk des Deutschen Buchhandels (social charity of the German book trade). This contractual penalty amounts to 200 euros in the case of a first violation and 500 euros for each subsequent violation. In the event of repeated violations, Frankfurter Buchmesse reserves the right to exclude the Exhibitor from further participation in the fair. Any sales beyond those described above may only be made with the prior express permission of the Organiser.

16. Exhibitor passes

16.1 A special pass is required for access to the book fair. This also applies on set-up and dismantling days.

16.2 For the Exhibitor's employees engaged in the set-up and dismantling of the stand, as well as for other representatives and staff at the stand, the Exhibitor will be issued exhibitor passes and special setup and dismantling passes, which should be attached to outer clothing in a visible position at all times when on the exhibition site. Normal exhibitor passes are also valid during set-up and dismantling.

16.3 Passes for set-up and dismantling as well as exhibitor passes are issued free of charge for each stand, based on its size.

16.4 A special charge will be levied for any exhibitor passes requested over and above this number. Additional set-up and dismantling passes are free of charge.

16.5 All exhibitor and set-up/dismantling passes must be ordered by the exhibitor in advance via the Exhibitor ticket portal on buchmesse.de/service/exhibitor-ticket-portal.

17. Security, insurance

17.1 General surveillance and patrols of the exhibition site and the halls are performed by a company contracted by the Organiser. However, the Organiser assumes no responsibility for damages or loss of exhibited goods, the exhibition stand or any objects or belongings of the people working at the stand.

17.2 Guarding the stand and stand supervision during opening hours is generally the responsibility of the Exhibitor. This also applies during set-up and dismantling times.

17.3 At night, all valuable and easily removable objects must be securely locked away by the Exhibitor. At their own expense, the Exhibitor may take advantage of the services provided by the security company

working for the Organiser. It is recommended that all Exhibitors purchase exhibition insurance, covering any damage and as far as possible lost items, based on the new replacement value.

18. Advertising

18.1 Advertising, in any form, is only permitted within the Exhibitor's stand and on its inner surfaces; such advertising may only promote the Exhibitor's own company and the products or services they produce and sell.

18.2 Presentations, optical, slowly moving and acoustic promotion features are permitted, provided these do not disturb neighbouring stands, do not lead to bottlenecks in the gangways and do not interfere with the fair's own announcement system in the halls. The volume may not exceed 70 dB(A) at the outer edge of the stand. In the event of failure to comply with this ruling, the Organiser is entitled to intervene and, if appropriate, demand the cessation of use. Permissions granted for the implementation of special advertising measures may be restricted or withdrawn in the interests of orderly operations of the fair.

18.3 If an Exhibitor plays music at their stand, they are responsible for securing the permission of the performance and for paying the GEMA fee.

18.4 Outside the Exhibitor's own stand area, it is not permitted to undertake promotion activities either on or in front of the exhibition site. This includes the use of persons for publicity purposes, as well as the distribution or posting of advertising material such as leaflets, posters, stickers, etc., in hall gangways, on the exhibition site, in the immediate vicinity of the exhibition site or on car parks used for the fair. It is also not permitted to carry out surveys, tests, competitions, raffles and prize games outside the Exhibitor's stand; the Organiser's own survey questionnaires are exempt from this rule. The Organiser may permit a limited number of the abovementioned promotional activities, but no implicit rights to permission exist. Such permission must be received in writing from the Organiser, and will incur additional charges.

18.5 It is not permitted to hold receptions, lectures, press conferences, discussion events, etc. on the exhibition site without the written authorisation of the Organiser.

19. Cleaning, environmental protection

19.1 The Organiser is responsible for the general cleaning of the exhibition site and the gangways.

19.2 Any cleaning above and beyond the basic daily cleaning is the responsibility of the exhibitor and must be completed prior to the daily opening of the fair. If the Exhibitor assigns cleaning to a third party, they are expected to hire the cleaning company employed by the Organiser. If different cleaning staff are hired, they are only allowed to work one hour before and one hour after the daily opening hours of the event.

19.3 In the interest of environmental protection and sustainable fair operations, the

Exhibitor is obligated to minimise the use of packaging and the production of waste as well as to make use of environmentally friendly and recyclable packaging, decorations and advertising materials. In case of custom-built stands, the exhibitor must remove the waste generated during set-up and dismantling. If a sorted waste removal system is in place, the Exhibitor is required to comply with the sorting system and to participate in the connected waste removal expenses in accordance with the costs-by-cause principle.

20. House rules

20.1 The exhibition grounds are a privately owned venue. The operator of the exhibition grounds is the Messe Frankfurt Venue GmbH. It holds authority over the exhibition grounds along with the Organiser. Therefore, exhibitors should refer to the House Rules on display within the exhibition grounds. In addition to the general House Rules, the Organiser is entitled to adopt event-specific house rules to provide secure proceedings and access to the event. The Exhibitor can request the current House Rules from the Organiser or view and download them at buchmesse.de/houserules.

20.2 The Exhibitor is subject to the house rules and ultimate authority of the Organiser and the operator for the entire duration of the fair and on the entire exhibition site. The orders given by the Organiser's employees who prove their identity with an ID card are to be followed at all times.

20.3 Violations of the Terms & Conditions of Participation with regards to safety-related regulations and house laws, or violations against legal regulations, entitle the Organiser, if the violations cannot immediately be remedied, to close the stand without compensating the Exhibitor's expenses. If such behaviour is continued, or if violations which have already been cited at previous fairs are repeated, the Organiser may, in particularly serious cases, exclude the concerned Exhibitor from future fairs. This shall also apply if items are exhibited that are subject to court bans or if the Exhibitor or his employees have committed or encouraged punishable offences (such as theft or deliberate infringements of copyright).

20.4 In the case of a violation, instead of imposing a ban on the event, the Organiser may dictate alternative conditions (e.g. reallocation, provision of a collateral), or request contractual penalties of up to 50 percent of the stand hire fees. The Organiser may make participation in future fairs dependent on complying with these conditions or payment of the contractual penalty.

21. Data privacy

21.1 Personal information which the Exhibitor supplies to the Organiser as a part of the application and contractual process is stored in an automated process, in accordance with the Data Protection Directive of the European Union, the data protection regulations of the Federal Data Protection Act and Teleservices Act of the Federal Republic of Germany. The Organiser uses

the company and personal information primarily:

- to complete business procedures with the Exhibitor
- for event-related information to be sent by the Organiser or service providers working on behalf of the Organiser
- as a source of business-related information before and after the event
- for advertising by post
- for transmission and up-dating of the exhibitor lists selected data is also passed to specific service providers
- for the creation of personalised tickets.

21.2 Naturally, every Exhibitor has the right to request the Organiser, in written form or by e-mail, not to send them any further information about future events.

22. Written form, severability clause

Any and all claims made by the Exhibitor on the basis of the contract as well as of non-contract nature must be submitted to the Organiser in writing. The written requirement is considered fulfilled if the respective declaration is transmitted in electronic form by fax or e-mail, and confirmed by the recipient. If individual clauses in the registration documents, participation conditions or the "Technical regulations" are or become invalid, this does not affect the validity of the rest of the contract. In this case the invalid regulation must be interpreted or amended in such a way that the original intention be met as closely as possible.

23. Applicable law, court of contractual fulfilment, court and law of jurisdiction

23.1 For interpretation of the contract and participation conditions, the German text takes precedence in the case of a dispute.

23.2 For the entire legal relationship between the Organiser and Exhibitor, only the laws of the Federal Republic of Germany apply. The terms of the CISG (United Nations Convention on Contracts for the International Sale of Goods) are expressly excluded.

23.3 The place of contractual fulfilment and exclusive court of jurisdiction for both parties is Frankfurt am Main, Germany, provided the Exhibitor is a business entity, corporate body under public law, represents fund assets subject to public law, does not otherwise have a place of jurisdiction in Germany, or has taken up residency or place of residence abroad or at an unknown location. The Organiser nevertheless reserves the right also to take legal action at the Exhibitor's general place of jurisdiction.

II. Technical regulations

The safety regulations stipulated in the "Technical regulations" must be adhered to at all times. Please refer to [buchmesse.de/technical-regulations](https://www.buchmesse.de/technical-regulations).

III. Terms and conditions for additional services for System Stands and customised System Stands DELUXE and System Stands SMART

The present terms and conditions supplement the contractual provisions of section I, for Exhibitors who order additional services from the Organiser (Frankfurter Buchmesse GmbH) for System Stands and customised System Stands DELUXE or System Stands SMART.

1. Conclusion of the contract

1.1 Offers by the Organiser to perform additional services for System Stands and customised System Stands DELUXE are always non-binding.

1.2 Contracts for the performance of additional services are concluded on the condition precedent that the Exhibitor is accepted as a participant at Frankfurter Buchmesse.

1.3 Orders for additional services for System Stands must always be submitted using the available registration documents for Frankfurter Buchmesse.

1.4 At variance from section 1.3, for customised fair presentations (defined as additional services for System Stands of 12 sqm or more: System Stand DELUXE) the Organiser will send the Exhibitor an offer in the form of a quotation. In such cases the contractual agreement to provide the additional services only comes into effect once the quotation has been signed and returned to the Organiser, by post, by fax or as an e-mail attachment.

2. Order deadlines

Orders for products from "Furniture, Stand Equipment & Light" after 15 September 2021 are possible by arrangement, but can only be guaranteed based on availability. The order deadline for a fair presentation System Stand DELUXE is 30 July 2021. Later orders are possible by arrangement, but can only be guaranteed based on availability and feasibility. Orders for the System Stand DELUXE trade fair presentation must be placed by 15 August 2021.

3. Cancellation policies

Cancellation of the Light Package XS or ordered products from "Furniture, Stand Equipment & Light" are possible until 24 September 2021 for a processing fee of 65 euros. From 25 September 2021, one hundred percent of the total price of the Light Package XS or the ordered products will be charged as a cancellation fee.

A written cancellation of System Stands FUN and SMART is free of charge until the official registration deadline of 31 May 2021. In the period between the registration deadline and 31 July 2021, a processing fee (reimbursement of expenses) of 20 percent will be charged in the event of written cancellation of the registration. From 1 August 2021 onwards, 100 percent will be charged for the cancellation of the registration. Cancellation of the System Stand DELUXE is possible free of charge in writing until the official registration deadline (31 May 2021). In the period between the registration

deadline and 31 July 2021, a processing fee (reimbursement of expenses) of 20 percent of the stand rental will be charged in the event of written cancellation of the registration. In addition, the planning, service, production and graphic costs already incurred will be invoiced by the Organiser. From 1 August 2021, one hundred percent of the stand rent and one hundred percent of the planning, service, production, and graphics costs will be charged as a cancellation fee.

4. Object and scope of the services

4.1 The Organiser is entitled to use its contractually bound service partners (third parties) for the execution of all the offered services (practical work, services, rental of equipment and furnishings). Even if they were just a component of an offer, completed drawings and plans always remain the intellectual property of the Organiser and its contractually bound service partner. They may not thereafter be used without the permission of the Organiser and that service partner.

4.2 The Organiser reserves the right to make technical changes to the details contained in brochures or proposals, if these represent improvements in equipment and materials. Minor changes in the size, shape and colour of equipment and furnishings are also admissible. Dimensions, drawings and suchlike are assumed to be approximate only, even when included as part of an offer or a contract confirmation. Such details are only accepted as binding when they are explicitly described as binding in the contract confirmation or offer.

4.3 If no other deadline for the fulfilment of the service is agreed in writing with the Exhibitor, stand assembly services will be completed at the latest by 6.00 pm on the final day of stand assembly. If no other location has been agreed, the location for performance of the service will be the exhibition space at Frankfurter Buchmesse, as rented by the Exhibitor from the Organiser.

4.4 Items custom-made for the Exhibitor (e.g. illustrated screens and panels, banners, etc.) will not be stored following the event and will be disposed of when the fair ends.

5. Acceptance and notification of defects

5.1 It is incumbent on the Exhibitor to approve the proper condition and completeness of the services provided by the Organiser, when the handover takes place.

5.2 For the purpose of the handover, the Exhibitor is obliged to deploy staff at the stand at the agreed time of completion of the service, and if this time has not been agreed, then on the final day of stand assembly. If the exhibition space is not staffed, then the service in question will be considered fulfilled once the equipment and furnishings to be delivered have been deposited at the exhibition space. From this moment onward, the Exhibitor will bear the risk for any damage or losses arising. It is recommended that the Exhibitor employs a security guard for the stand if he/she is unable to ensure adequate supervision of

the stand with his/her own staff during the assembly and disassembly phases.

5.3 The Organiser and the service partners assigned by the Organiser are not obliged to verify the identity of people arriving at the Exhibitor's stand during the delivery of equipment and furnishing.

5.4 If the Exhibitor identifies any deficiencies or damage, these must be recorded in writing and notified to the Organiser in writing without delay. The Exhibitor and the Organiser may request the preparation of a handover protocol, in which any deficiencies or damage must be recorded. The service partners of the Organiser are authorised to prepare and countersign protocols of handover and acceptance in the name of the Organiser. The release of technical equipment normally takes place with the presentation of a delivery note.

5.5 The services are deemed to be fulfilled in accordance with the contract if the Exhibitor does not immediately, and no later than at the first use of specific items, draw attention to any clearly apparent defects, giving reasons in writing. Hidden defects identified at a later date must also be notified to the Organiser in writing immediately, as soon as they become apparent.

5.6 For substantiated defects, the Organiser will act without delay to make good the deficiency. In the case of deliverable goods, at the discretion of the Organiser, problems may either be remedied (e. g. through repair) or a replacement item may be delivered.

6. Condition and treatment of rented items

6.1 All items of equipment, furnishings and stand components of the Organiser supplied as part of the service provision, including the packaging and instructions for use, are provided to the Exhibitor on a rental basis only. Rented items are generally used on many occasions and therefore do not have to be supplied as new. Typical signs of wear and tear deriving from the use of equipment and furnishings as rented items do not constitute grounds for complaint.

6.2 All rented items are the property of the Organiser or its service partners and must be treated with due care by the Exhibitor. Any signage, markings and serial numbers of the manufacturer or rental company, and other such markings must be left unaltered on a rented item. The removal of such distinguishing marks constitutes damage to the rented item, even if the function of the item remains unimpaired.

6.3 The rented items are provided to the customer to use according to the contract, for the agreed purpose only, and for the duration of the event, unless a different period of use has been agreed. It is not permitted to use the items for other purposes during the rental period.

6.4 It is not permitted for the Exhibitor to sub-rent the rented items to third parties. The Exhibitor is obliged to keep the rented items in his/her immediate possession

and only to use them on the exhibition area where they have been provided by the Organiser.

6.5 The Exhibitor is obliged to allow the Organiser and its service partners to see and check rented items at any time.

6.6 The Exhibitor must handle the rented items with due care and attention, must observe all the obligations tied to the possession, use and receipt of the rented items, and must follow the instructions manuals and recommendations for use.

6.7 If rented items are confiscated or distrained by third parties (customs officials or bailiffs) the Organiser must be informed immediately and given a duplicate copy of the confiscation/distrainment protocol.

6.8 If rented items are not released punctually to be dismantled or collected at the contractually agreed time, the Organiser is entitled to demand additional payment equal to the agreed rental rate, for the length of time the items are withheld. This does not affect further claims for damages.

6.9 The early return of rented items does not cause the end of the rental contract. Any additional costs arising from an early return must be borne by the Exhibitor.

7. Internet connections

The Exhibitor must order internet connections directly from an official exhibition service provider. We recommend a wired internet connection, to ensure continuous internet access without disturbances. The internet cables should be ordered from the service provider so that they are installed on the ground near the screens and desks.

8. Additional agreements for "Furniture, Stand Equipment & Light"

8.1 Stand completion

The handover takes place at the latest during the last set-up day. Damages and other comments are to be reported as soon as possible to the Frankfurter Buchmesse GmbH, Exhibitor Service, Hall 4.C. The dismantling takes place on the last fair day, after the end of the event.

9. Additional agreements for System Stand DELUXE

9.1 Alteration fees

One change of plans is included in the offer price. If the Exhibitor requests additional changes, the Organiser reserves the right to charge an alteration fee, depending on the nature of the changes.

9.2 The Exhibitor's own stand and decorative elements

Freestanding elements at the stand (e.g. decorations) as well as media technology are subject to approval within the context of the System Stand DELUXE package. If you plan to bring anything with you, please submit corresponding documents for inspection, along with your registration. If the Organiser declares the freestanding elements inadmissible (e.g. for structural reasons), you will be informed accordingly. In this case, your System Stand DELUXE package cannot be fulfilled by the Organiser. Alternatively,

if you agree not to implement your unapproved freestanding elements or media technology, your System Stand DELUXE package will be able to be carried out as planned.

9.3 Handover

Use of the stand by the Exhibitor may only begin after the stand handover by the Organiser's designated project manager. The stand handover takes place at the earliest on Monday, or at the latest on Tuesday before the fair begins, according to a previous agreement between the Organiser's designated project manager and the Exhibitor. The Exhibitor can only begin decorating the stand after this time. If a handover cannot take place by Tuesday at the latest, the stand is considered approved. After this time, the Exhibitor also bears the risk of potential damages or loss.

10. Complementary terms and conditions of participation for System Stands SMART

10.1 Insurance conditions

The Exhibitor is responsible for rental equipment from handover until its return. The package includes an insurance for the electronic equipment with a 20 percent deductible of the replacement cost in case of theft or damage. During the fair, the equipment should not be left unattended for extended periods of time. It is recommended to book a stand guard to protect equipment when the fair is closed.

10.2 Handover of rental equipment

The rental equipment will be handed over and made ready for operation by AVMS, the company commissioned by Frankfurter Buchmesse, during the course of the last set-up day before the official start of the fair, in accordance with the date agreed. The Exhibitor confirms receipt of the goods by signing the delivery note. Damage and other remarks must be noted on this note and AVMS GmbH must be informed immediately. The equipment shall be returned on the last day of the fair after the end of the official event. On this day, the Exhibitor must ensure that the equipment is secured until the service provider arrives.

11. Final provision

The validity of the contractual provisions contained in section I remains otherwise unaffected.
